

On behalf of The University of Tampa's Board of Fellows and the Sykes College of Business, we invite you to participate with the Fellows to participate in a new version of its flagship fundraiser event The Sykes Hall of Fame Business Speaker Series, hosted by the Board of Fellows, to be held on February 25, 2025 at The University of Tampa in Falk Theatre.

This speaker series presents a distinguished panel of national and global CEOs to share their perspectives on business trends with the Tampa Bay business community. Proceeds from the 2025 Sykes Hall of Fame will fund the Board of Fellows' Endowment, providing scholarships to UTampa students enrolled in the Sykes College of Business and other student programs. The Board of Fellows, in support of The University of Tampa's mission in providing quality education to socially and economically diverse students, is a longtime supporter of UTampa and helps make education affordable for students.

Verizon has been a long-term partner with the Board of Fellows to ensure the success of this series, and we are thrilled to again have their support of the new combined Fellows Forum and Sykes Hall of Fame as Presenting Sponsor. We hope you will join Verizon by becoming a corporate sponsor. The sponsorship opportunities range from \$1,500 to \$10,000 and offer an exceptional amount of visibility to benefit your organization. Please see attached for details.

We will be reaching out to discuss sponsorship opportunities. If you would like to receive more information or request an invoice, our contact information is provided below. With your support, we look forward to making a record contribution to the UTampa Sykes College of Business.

Thank you for your consideration.

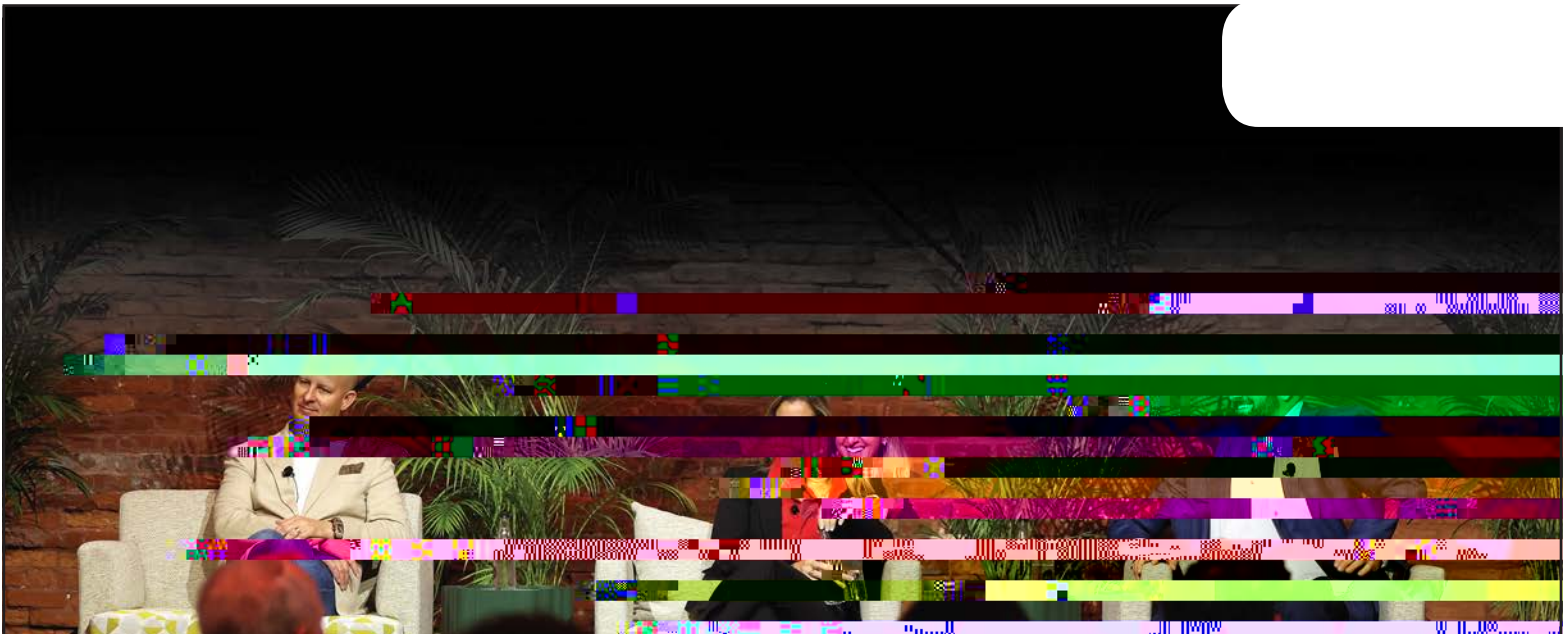

Sincerely,
